Checklist after logging in:

- ✓ Locate the Raise hand option (last option, marked by an arrow in the picture above)
 - You will use this option during Q&A part
 - This allows the hosts to keep the discussion in order and everyone gets to ask their question
- ✓ Check your speakers so you can hear the trainer (no. 2 in the picture above)
- ✓ Check your microphone (no. 3):
 - Turn the microphone off – we will not be using them at the beginning of the webinar
 - You can turn it on during Q&A

We kindly ask all participants **not to use the microphone or camera** at the beginning of the webinar. There will be time for questions and you will be invited to turn your microphones on.

In case of troubles with microphone or webcam you can use the CHAT option which is visible to everyone.
